

Garage/Garden Tour

We have the details now for the tour on May 4th

Meet at Tom's West Bay at 10am, and Mike Jackson will lead to the Bluebird in Leland for a great brunch (\$12.95/person plus drinks).

We'll depart around 12:30 for TLC Tomatoes, 4030 N. Setterbo Road (1 mile south of St. Wenceslaus Church), Suttons Bay. They will tour us through their Hydroponics tomato and lettuce operations for up to an hour, and we will then depart for a leisurely run through the great roads of Leelanau County, ending up at the "Garage" tour.

The "garage" we will visit is that of Kathryn & Mike May, who are known throughout the world for their collection of Stanley Steamers. They will have some "fired up" and be able to tell us all about them. Their garage is located at 8369 N. Gills Pier Road, Leelanau Township. Gills Pier is the road that heads west off M-22 at the Happy Hour restaurant. We'll drive very slowly down this road since it is gravel much of the way. It's well maintained, and should not be a problem. The '36 MG has made it many times!

Those who wish can then stop off at the Happy Hour for a frosty refreshment before putting our tired machines to bed. Well, maybe our tired bodies too.

Praying for sunny 70's,

Mike Jackson and Denny Lauterbach
